

Practice/Game Cancellation Policy

It is the policy of the MWA to hold practices and games during inclement weather. If you are uncomfortable making the trip when the weather is questionable, you will be excused from practice or the game.

If the rinks close, Thaler and the Pond, a notice will be posted on the MWA website.

Travel Team Managers: If you have a league game, do not take it upon yourself to cancel the game. The referees will still show up, and you will forfeit the game.

If you have a practice and want to cancel it, you can do so but your team will be charged for the ice. If you do end up cancelling your practice, please call the rink to let them know you won't be showing up.
