

# Senior Booklet

We would like you to write your own Bio ... Which would include the following..  
(if you don't want to write the bio yourself .. at least fill out answers to the questions.)

Your name ...

Your parents name ...

How many years you have been on the team...

Why you joined the team in the first place.

Your Favorite CC Memory ....

Your favorite CC course and why ..

Random thoughts on your CC experience, and running in general..

Thank a person who has helped you with your running career ...

Please write a message to the rest of the team of encouragement – being in the form of a quote and/or advice – or any “parting words” ...

Any hobbies or interests you have or other things you want to share about yourself.. if you know your plans for after graduation you could put that too.

What has been your favorite pasta party food?

Please fill this out because we don't want an empty spot under your picture in the booklet. Text me if you have questions (please include your name in the text).

Thanks,

Kelli Winter
