With three convenient locations in Harmarville, Warrendale, and Bethel Park, BladeRunners has established itself as the industry leader for all your skating needs. Harmarville was opened in 1992 and was the first twin-ice facility in Pittsburgh. Due to the enormous popularity of this facility, two more locations were developed. The Warrendale facility was opened in 1994 and Bethel Park in 1995. In September 2003, a third rink was added to the Harmarville location. The new rink has seating on both sides of the arena and is one of the largest hockey venues in Western Pennsylvania. This multi-purpose facility offers ice activities in the winter and in-line activities in the summer.

The facilities are home to over 6 amateur associations, 15 high school organizations, 200 high school hockey games, 45 adult hockey teams, 4 men's and women's college hockey programs, 3 figure skating programs, 25 youth and adult in-line teams, and numerous in house skating and hockey programs.

BladeRunners has hosted several national competitions in both hockey, in-line, and figure skating since 1992. In 2005, the Harmarville location in partnership with California University of PA hosted the ACHA Division III Men's National Hockey Championships. The BladeRunners Bethel Park has served as the Vulcan's Hockey Club home since the 2004 hockey season.

BladeRunners looks forward to serving the Pittsburgh hockey and figure skating community for many years to come. Please view our many programs and events that are contained in this web site.

If you need to contact the Bethel Park facility, please call 412-855-8500.

## Geraldine Jones – Acting President

On May 16, 2012, Geraldine Jones was named acting president of California University of Pennsylvania.

Ms. Jones graduated from California State College in 1972 and earned her master's degree at California in 1980.

She began her career in education as a second-grade teacher in the Albert Gallatin School District, in Uniontown, PA.

She returned to California in 1974, serving as program director for Upward Bound for 20 years and as chair of the Department of Academic Development Services for 11 years. She was associate dean of the College of Education and Human Services for two years before serving as dean from 2000-2008.

In July 2008, she was named provost and vice president for academic affairs, positions she held until being appointed as acting University President.

A member of the Cal U Alumni Association board of directors, Jones has received numerous honors, including the Cal U Alumni Association's John R. Gregg Award for Loyalty and Service, the Black Alumni Association's Outstanding Service Award, and the Community Service Award given by the Minority Students Association at Penn State Fayette.

In 2010 Jones was one of 50 'Women of Excellence' honored by the New Pittsburgh Courier, one of the oldest and most prestigious black newspapers in the United States.

Jones is a lifelong member of Mt. Zion AME Church of Brownsville, Pa., where she has been the church pianist since age 14. She has been married to Jeffrey B. Jones for 38 years; they have two adult daughters and a granddaughter.

## Vulcans Excited to Start 2012-13 Season

Cal looks to defend their first ever College Hockey Association Championship.

There's a great buzz around the Vulcans heading into this season.

Last season ended with the Vulcans on top winning their first ever CHA Championship over Carnegie Mellon University.

During the regular season the Vulcans were able to cruise through the South Division on the way to a South Division title.

While looking to repeat as CHA Champions the Vulcans retain a strong core of players including many of their top scorers from a year ago.

Even though the team returns a number of key contributors from last season, they also are in need of replacing 13 players.

Lost are Zach Pennington, Drew Taucher, Justin Murin, Sean Whiten, Dustin Snare, Alex Bodrie, Danny Curtin, Steve Oberly, Max Bodrie, Kurt Krelis, Nick Battista, Dallas Hoefle and Boyd Zinger.

Four of those players were on defense, seven forwards and two goaltenders.

All players will be hard to replace but most notably will be Pennington and Zinger.

Pennington was the teams captain and led all players with 49 points. Zinger was the teams main goaltender appearing in 15 games going 12-3 with a 3.68 GAA.

While replacing the leadership and scoring will be a large task for the Vulcan coaching staff the biggest question mark may become the teams goaltending.

The Vulcans will start the season with three netminders in Garrett Hudson, Tallen Stroman and Doug Fletcher

Hudson returns as the teams leading goaltender from a season ago.

Last year he appeared in five games going 3-2 with a 3.37 GAA and .900 SV%.

In need of stability in net, Hudson will look to lead a staff that is inexperienced.

10 forwards remain for last years team. Three of those forwards include three of their top four scorers from a year ago.

The group consists of Pete Ellis, James Breen, Jake Blair, Anthony DiBiccaro, Chad Gwynn, Dan Crowley, Andrew Topka, Ryan Radovic, Sean Bastin and Steve Powell.

Ellis leads all returning players in goals and points. Last season he shined in the playoffs helping to lead the Vulcans to their Championship.

Ellis's biggest moment came with 2.9 seconds remaining in the CHA Semi-Final game vs. D'Youville College when he scored on a penalty shot to send the game into overtime.

Right behind Ellis in scoring was Breen. Breen has found himself near the top of the scoring list over the previous three seasons with the Vulcans.

Blair headed up the teams talented group of freshman last season providing an electric spark to the offense.

Crowley, like Ellis, added his mark on last years team. In overtime of the CHA Semi-Final game when he recorded the game winning goal just 32 seconds into the extra time.

DiBiccaro and Gwynn both missed time to injuries last season. The two juniors will look to bounce back this year with injury free seasons.

Topka and Radovic round out the other two freshman forwards from last years team. Both players provided a consistency among the

Senior Pete Ellis leads all returning players in points and goals.

forwards throughout the entire season.

Finishing out the group of forwards are Bastin and Powell.

Bastin missed games throughout the season and will look to be a constant in this years lineup.

While Powell was only rostered during the second half of the season. Powell will be a good full season addition for the Vulcans forward core.

Another addition to the Vulcans forwards is Dustin Briggs, who was a member of the CHE team last season. Briggs will bring scoring to the top forward lines for the Vulcans.

The defense returns four players from last year and will look to a number of younger players to help fill the voids.

The defensive group consists of Vincent Silvio III, Nick Blair, Corey Briggs and Brian Proud.

Silvio III led all Vulcan defensemen in scoring. As a junior this season, Silvio III will look to anchor this young defensive group in front of young goaltending.

Blair, was a staple in the Vulcan defensive unit until the end of the regular season when he suffered an injury keeping him out of the playoffs.

Briggs and Proud both appeared in 70% of the teams games last season. They will

both be poised for a full season on this young defensive unit.

There will be ten newcomers to the Vulcans roster this season.

Tim Brown, Nolan Latterman, Leonard Polinski, and Dustin Briggs sure up the forward group.

The defensive unit has added William Sutyak, Robert Schwab, Jesse Powell and Tanner Kefover.

Tallen Stroman and Doug Fletcher will round out the teams three goaltenders.

Players aren't the only areas the Vulcans will be looking to replace for the upcoming season.

Assistant Coach Matt Ward will not be returning to the bench this season.

Coach Ward started on the staff in 2009 spending a season as the teams Head Coach before moving to the Assistant Coach for the past two seasons.

Before joining the CHA coaching staff, Coach Ward played one season for the CHE team in 2007-08 and was a member of the clubs only ACHA National Championship team.

The Vulcans have added Mark Hetzel to the staff this season to help fill the void of losing Coach Ward.

On their quest to defend their CHA Championship the Vulcans will face a number of familiar opponents.

This season the Vulcans will play eight CHA league games. The other members of the CHA this season are Carnegie Mellon University, University of Pitt-Greensburg, Community College of Allegheny County and Case Western Reserve University.

New this season on the Vulcans schedule are Youngstown State University, Widener University, Wheeling Jesuit University and Allegheny College. Again the Vulcans will play two games against West Virginia University.

Also new this season is the East Coast Showdown. Part of the Empire Classic, which the CHE team plays in, the Vulcans will travel to face teams in a three day tournament.

Vulcan players celebrate after Dan Crowley's game winning over time goal in the CHA Semi-Final matchup against D'Youville College.

Pittsburgh Amateur Penguins Goaltending Coach

Pittsburgh Vipers

This 2012-13 season marks a milestone for Coach Ed as he begins his 30th year coaching ice hockey. From his playing days at Shaler Area as a goaltender he began coaching youth hockey and quickly moved to the ranks of high school, coaching Fox Chapel's varsity for 7 years. He then began a 15 year stint with the Pittsburgh Amateur Penguins as both a head coach at the AAA midget level as well as goaltending coach at all levels of the organization. Coach Ed then moved on to the Pittsburgh Vipers until accepting a position at Cal U. Notably this past season at Cal Coach Ed's team won its first ever CHA Championship.

## VULCANS

Season Review

The 2011-12 season proved to be a memorable one for the Vulcans from start to finish. After seven long seasons the Vulcans hoisted their first ever CHA Championship Trophy after an 8-5 defeat of Carnegie Mellon University for the fourth time that season.

Beginning the season the Vulcans had an upward battle having to open eight of their first nine games on the road. The Vulcans managed that task spectacularly winning their first six games. They would lose two of their next three both the final two road games of their opening stretch. Although they bounced back winning five of their next six to end the fall semester including a second victory over Carnegie Mellon University at the CONSOL Energy Center.

With the beginning of the spring semester the Vulcans began to focus their attention on making a push for the South Division title and first round bye in the CHA playoffs. The Vulcans did manage to secure that first place finish even though they dropped two of their five remaining games including one to the North Division leader Medaille College. In those games the Vulcans picked up a third victory over Carnegie Mellon University and a team record 23-0 victory over West Liberty University.

After receiving a first round bye in the CHA playoffs the Vulcans were taken to the limits against D'Youville College in the Semi-Finals. They trailed until 2.9 seconds remained on the clock and junior Pete Ellis scored on a penalty shot sending the contest into overtime. Once in the extra period it only took seconds before Dan Crowley scored sending the Vulcans to their third CHA Championship game. In the Championship game the Vulcans managed to control the lead early and often en route to an 8-5 victory over Carnegie Mellon University for their first ever CHA Championship. Junior Pete Ellis was named the CHA playoff MVP.

History

The hockey club at California University of Pennsylvania has been in existence for many years, but its past history is certainly not one of great success and accomplishment. In 2002, however, that legacy was broken. That year, Jamison Roth teamed with advisor Chuck Bohn to breathe life into the forgettable program. What has happened since has been a rise to excellence that has placed Cal U among the top hockey programs in the region and nation. The future promises a bright future for Cal U Hockey.

Cal U joined the College Hockey East (CHE) for the 2002-03 season and immediately established itself as a team to be reckoned with by winning the 2003 CHE Provisional Tournament Championship. That same year, Cal U joined the American Collegiate Hockey Association (ACHA) at the Division III level. The CHE team (CAL 1) is still a member of CHE and ACHA today. The CHE currently consists of teams from western Pennsylvania and western New York, while the ACHA DIII level is approximately 140 teams from colleges and universities across the nation. Cal U is currently the six time defending CHE conference champion (07,08,09,10,11,12). The program also won the University's first ever male national team championship, as the Vulcan's won the 2008 ACHA Division III National Championship. The ACHA holds its annual national tournament every March at various locations across the country. California University of PA hosted the 2005 ACHA DIII National Championships in Pittsburgh where the team finished 7th overall.

Hosting the 2005 National Tournament in Pittsburgh went a long way in strengthening the relationship the hockey club has with the University. While the team is unable to provide scholarships to its players, the University does provide the team with the financial and academic support it needs to operate effectively. The club is still run by the players, who pay dues each semester and form a Board of Directors to oversee its operations.

After starting the 2002 season with only 12 players, the Cal Hockey Club has grown to over 60 men players strong, warranting the formation of a second men's team. The Collegiate Hockey Association (CHA) was formed in 2004 with Cal U's second team as one of four founding members. The purpose of the CHA team is to provide another level of play for Cal's hockey players that isn't quite as competitive and doesn't require quite the same time commitment as the CHE team. That doesn't mean the CHA team is just an afterthought, though, proven by its run to the CHA Championship Games in 2005 & 2010 and first ever CHA Championship in 2012.

The 2008-09 season marked the inaugural season of our women's program. The team accomplished unprecedented success in its first season by winning its regular season and playoff conference championships. In winning the regular season crown, the team finished with a perfect 10-0-0 conference record. The women participate in the Delaware Valley College Hockey Conference (DVCHC) and nationally in the ACHA Women's Division II. The women's team has now won a DVCHC Division II Championship in 2009 and the DVCHC Division I Championship in 2011. This past season the team qualified for ACHA Division II National Tournament for the first time in club history.

All teams practice and play their home games at The BladeRunners Ice Complex in Bethel Park, PA. The rink is located about 30 minutes from campus. Cal Hockey also has many banners and posters throughout the rink to demonstrate this rink as the club's home. The Cal logo is also painted in the ice for all spectators and players to view. BladeRunners hosts around a dozen CHE games, ten CHA games and 8-10 Women's games each season, while each team plays about the same number of road games each year in preparation for their respective post-seasons.
