

# Coaching Basketball Fundamentals

This fully online course will take you through the need-to-know aspects of running a basketball team from how to organize your season, how to plan a practice, and how to run a number of skills and drills to help your team achieve success. There are more than 2 hours of instructional and demonstration video featured in this course!

Developed in partnership with the local PSO, Basketball Alberta, this course is recognized as the ideal introductory to the CAC Basketball Fundamentals course in the NCCP.
