

About TGHA

Our Mission

Provide instruction in the game of hockey, develop individual skills, encourage concepts of team play & sportsmanship, and have FUN!

TGHA is celebrating its 43rd year of girls hockey, the oldest girls hockey association in NYS! Also one of the oldest all-girls hockey associations in the U.S.

The original vision of those who founded TGHA in 1972 was to promote a fun place for girls to play hockey. We continue this tradition with girls aging from 6 years old to 19 years old, playing competitive and fun hockey games throughout NYS. We belong to the Central Region of NYS Hockey Association, as well as USA Hockey.

The Cub Club Program

A unique component of the TGHA experience is the wonderful Big Sister mentoring opportunity, known as Cub Club, founded by local author and TGHA/Cornell Alumna Megan Shull. TGHA players are paired with Cornell University Women's Ice Hockey Team players and forge incredible long-lasting relationships through both on and off-ice activities.

Learn to Play Hockey for Women

We also sponsor a women's Learn to Play Hockey program, where several of our hockey moms get out on the ice to learn the game. Mothers and daughters have great fun in this program together!

TGHA Shooting Stars Invitational Tournament

One of TGHA's key programs is hosting the Annual Shooting Stars Tournament. This year we are hosting our 17th Annual Tournament. This much-anticipated weekend of hockey welcomes teams across the Northeast for a competitive set of games. Over 750 people attend the weekend tournament with raffle giveaways, Chuck-a-Puck and more. 100% of the proceeds from the raffle goes to support TGHA.

4 Ways to Support TGHA:

- Team Sponsor:** TGHA funds each team's participation in one away tournament, but a Team Sponsorship would allow a team to pay the registration fee for an additional tournament, or cover other team costs throughout the season. Suggested Amount for a Full Sponsorship is \$700. Other amounts accepted.
- Scholarships and Equipment Loans:** Through our scholarship and equipment loan programs, we strive to ensure that every interested girl has the opportunity to play ice hockey. Financial contributions help greatly in these areas. Your donation here gives opportunities for interested girls who may not otherwise be able to play hockey.
- Tournament Sponsor:** Our annual Shooting Stars Invitational Tournament is held each December. It typically brings over 750 visitors to the Ithaca area. If you become a tournament sponsor we would display your promotional material at the Rinks, as well as other publicity (see next panel for more info).
- Friend of TGHA:** Your donation would be used where we have the most need—we appreciate your donation as a Friend greatly!

More About Donating to TGHA:

TGHA depends on the generous support of our members, member families, and the area business sector. Tompkins Girls Hockey Association is an IRS 501(c)(3) nonprofit organization and your contribution may be tax-deductible.

100% of the revenue generated goes directly to reducing our players' fees, allowing us to minimize the financial barrier to participation as well as attract new members to the organization.

*More about Full Team Sponsors:

Full sponsors of one of our teams can place their corporate name/advertisement on the TGHA website (www.ithacagirlshockey.org). In addition, they will also receive a team photo, have their name listed on the TGHA bulletin board at The Rink, and receive special mention in any publicity communications that TGHA may produce during the course of the year.

All other donors will be listed on our website and on the TGHA bulletin board at The Rink, unless anonymity is requested.

Cub Club girls get to visit with their Big Sisters in the Cornell Women's locker room after games.
