Dec 16 3-5pm IB Sax, Hoffman, Kinkade
Sessions will be 2 groups for 45 minutes each

Kleva will send Troester High school coaches contact info to line up help for
the
sessions
- IV. Donovan Haugstad has left the IB, IYHL had no say in his hiring or leaving but
should have input in the future if the IB hires another director of hockey
- V. House Hockey-has started and Board has to decide if we should let select
teams play in Hockey time production Tournaments. Since it is tough to
schedule select games Board decided to let them play and take those
weekends of from house games and then schedule those games during the
week. It might extend house season a little longer but Board felt that if the
select kids wanted to play in HTP we should do what we can to make it
happen. 2 SQ select teams, 2 Pee Wee, 1 Bantam
Teams will play in HTP Jan 12-13 tournament so league off that weekend
Dec 21-22-23 Mike McNeill working on friendship series with ITHL house
teams vs House teams from Chicago at Sq and PW level and league will cover
costs of those games.
- VI. Travel Hockey- need to collect \$200 from select teams for assessment, and
send out assessment for travel jerseys and socks, Aimee will send out.
- VII. Apparel-need to change website to IYHL not Rovers. Drew will contact Becky
Savage to get the change done.
- VIII. Todd Buckley asked the Board about how evaluations are done for House
League. Explained to him how it works with coaches on ice and then all
coaches rate players to put in right group and to make house teams equal. He
had three suggestions, 1. Do evaluations at end of season, 2.give kids who
don't do fall camp a couple of ice times to get ready for evaluations, 3. Have a
standard evaluation sheet for the coaches to use during evaluations. Board
will look at suggestions 2 and 3 for 2013 evaluations.
- IX. Mite Blue goalie equipment- need to see what we have because 24" pads too
big. Board did order 22" pads so need to make sure smaller kids have the
right goalie equipment. Kleva will check with Brown to make sure we are ok
with goalie equipment.
- X. Ice rental- no IYHL team can rent ice at IB, ND, or Merrifield unless go through
Kleva (IYHL) this is to limit conflicts and schedule changes. Board needs to
look at teams scheduling additional practices and if it should be allowed or if
rat hockey should be scheduled.
