Guests: Michael Jasikiwecz

1. Gaels- Michael wanted help for the Gaels program next year and wanted to know if she should have parents help with scheduling, apparel, etc. The Board recommends she approach parents first, but the Board would help promote the program and send out emails to the members. Also the Board will have someone be the contact for the Gaels program that is on the Board.
2. Spring Hockey-ND is handling the weekday skill sessions and games are Sunday at the Ice Box. Everything is running fine and the sessions are full. It is a good collaboration between IYHL, ND and IB.
3. House League-medals were handed out to mites and mini mites. Bantam game went to overtime and 9 man shoot out. So playoffs went well.
4. Select teams- some finished this weekend and others have one tournament left.
5. Albano letter went out about incident at the rink and the matter is closed as far as the IYHL is concerned.
6. General membership meeting is March 19th at 6:00pm at the Ice Box, email went out to league notifying them about the meeting, the process for nominations to the Board and that voting for the Board will take place that night.
