

Annual Preventive Maintenance Service Plan

Objective

Offer a complete factory recommended ice resurfacer service.

Goals

Reduce costly down time, unwanted service calls, create a better sheet of ice, and extend the life cycle of the ice resurfacer.

Annual Preventive Maintenance Service Plan Outline (PMSP)

All parts are provided with this program. All PMSP work will be performed on site to work with facilities schedule.

Preventive Maintenance Service Plan Outline (PMSP)

All parts listed below are provided with this program. All PMSP work will be performed at your location scheduled to work with your schedule. Upon completion of this program Complete Ice Arena Services will advise you of any issues discovered during the PMSP and any repairs or updates that your machine may need to bring the unit up to factory specifications.
