Field Development Program

1. Requests will be evaluated based on need. Safety concerns, replacing wood posts, and the alternatives available in the area will be key considerations.
2. The recipient must be a MAYSA-affiliated club in good standing. A club which leaves the district or association after having received a grant will be required to provide a refund to MAYSA.
3. Each club will be limited to one grant per fiscal year.
4. The goals must be for fields where MAYSA league games are played and meet MAYSA's criteria with respect to size.
5. The club must have a designated field coordinator for the field receiving goals.
6. The club must contribute the balance of the cost of the goals.
7. 'Keeper Goals' will be the supplier. MAYSA will contribute the funds directly to 'Keeper Goals' on behalf of the club, with the club supplying the difference.
