

## Bullying Policy and Prevention

DeAnza Force is committed to creating a safe learning and working environment for all players, employees and coaches. DeAnza Force recognizes the harmful effects of bullying on the player's ability to learn, attend team functions and practices and desires to provide a safe environment that protect players from physical and emotional harm.

No player or group of players shall, through physical, written, verbal or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury, or commit hate violence against any other player or personnel.

Failure to comply with the club's bullying policy could result in disciplinary action including expulsion from the team and club
