Bullpen:

Each team's area in the stands is termed a "bullpen". Each team should have 2-3 parents as "bullpen parents". These parents will need a list of all the team's wrestler's in-group # order. These parents can ensure each wrestler has his group # and mat # marked on this hand. These parents can use this list to make sure that each time the announcer calls a group # to report to staging, that the wrestler and his parent gets there. Let's keep the number of forfeits to zero!

Points of Emphasis:

1. Announcer calls wrestlers to staging by mat & group #
2. No individual wrestler's name will be announced
3. Wrestlers must report to staging for byes
4. If a wrestler misses his group's call to the staging area & clerk of course can't locate, **it will be a forfeit**
5. **All of a wrestler's matches are on same mat # section. Matches will move near the end of the sessions.**
6. On-Deck wrestlers must be at mat side table w/ leg bands on
7. Parent & wrestler are to clear floor right after match
8. Referees' decisions are final. OHSAA rules strictly followed
9. Wrestler is done when places 1st, 2nd, 3rd, 4th or loses two matches
10. Age & weight bracket sheets will be posted - Please leave on the walls until session is complete.
11. Head Table Worker verifies wrestler turning in bout sheet has name circled on bout sheet
12. All wrestlers receive ribbons
