

# MFC A RECRUIT COMBINE

## POWERED BY PREPTREE

## Inaugural MFC A Recruit Combine

Saturday, April 30<sup>th</sup>, 4:00 to 7:00 p.m., Bloomington Jefferson H.S., Bloomington, MN

High school coaches, we are excited to announce the **Inaugural Minnesota High School Football Coaches Association Recruit Combine!** This combine compliments our successful MFC A Recruiting Fair and enables our association to be a positive and proactive steward of the growing combine phenomenon. Our goal is to provide your student-athletes with an affordable opportunity to perform in front of college football coaches, while also providing verified athletic measurables with which they can be evaluated.

The combine is open to Minnesota high school student-athletes graduating in 2017, 2018 or 2019. All skill levels are welcome, although we hope to primarily attract those football players who have the potential and desire to play in college. Participants will be tested in the 10-yard dash (OL/DL), 40-yard dash, pro agility, L-drill, vertical jump and bench press. We will also measure their heights and weights, and will take a body composition photo. College coaches from the Midwest will be invited to attend.

Similar to the Recruiting Fair, we have partnered with [Preptree.com](http://Preptree.com) to help manage the data and conduct the event. The combine results will be posted on each participant's Preptree profile and provided to participating college coaches in a spreadsheet prior to the Recruiting Fair.

Please help us promote this event to your student-athletes. You can do so by posting the attached flyer in your weight room and office, and by forwarding this information to them via email. They can find more information on the MFC A website ([www.mnfootballcoaches.com](http://www.mnfootballcoaches.com)) and on [Preptree.com](http://Preptree.com). Participants must register on Preptree by April 23. The cost is \$40 per participant (all revenue goes toward the cost of producing the event). We can only accommodate a limited number of participants so encourage them to register early. No walk-up registration will be offered.

If a coach from your staff would like to volunteer to help with the Recruit Combine, please email [preptree@preptree.com](mailto:preptree@preptree.com) with their contact information. Note, per MSHSL rules, high school coaches cannot transport their student-athletes to the combine. Contact me with any questions about the event. Contact Preptree at [feedback@preptree.com](mailto:feedback@preptree.com) with website questions.

Sincerely,  
Jeff Ferguson,  
Totino-Grace High School
