The 2016 Season is Only 4 months Away!

Duluth Girls Fastpitch is getting set for a terrific 2016 season and will be better than ever. The Duluth Girls Fastpitch Association has been formed as an independent organization, and will be 100% focused on creating exciting opportunities for fastpitch softball. Opportunities are available for girls to play as Duluth teams in U8, U10, U12, and U14 leagues, many in partnership with the Lake Superior Fastpitch Association. U10 and U12 teams will officially play games against our own Duluth teams, but also other local teams, making for a very exciting season. Our Board is confident that this change will strengthen our league and the development of our girls!

Please see important information in the newsletter highlighting last year's successful season and providing updates and information on winter clinics, registration, and volunteer opportunities.

Important 2016 Dates – Mark Your Calendars
