## Message from the General Manager

The snow is melting, the birds are singing and the thawing process has begun! What a difference a month makes. From down jackets and ear muffs to shorts and soccer balls. Turf season is in full swing and the rink is rockin' with our normal suspects: Fusion Soccer, Equinox Lacrosse, Manchester Youth Baseball, BBA high school, men and women's adult soccer and girls field hockey to name a few. Transition from ice to turf went extremely smooth. A special thank you to my hard working staff and a major shout-out to the gang from Manchester Carpet Care for another great job of rolling out the turf. We've come to the end of our first ever JISP turf season. This was a new program which added 2 weeks onto the normal JISP skating program. It was a huge success and thanks go out to Martina Grattan and her dedicated staff - Paul, Jordan and Rachel. Also appreciate Daisy Sullivan stopping by to help during a break from school. One last thank you to all for the extremely successful ice season we had. NHA, BBA Hockey, Mainstreet Hockey and Rusty Blades were great tenants of the rink and we couldn't do it without you! We look forward to an even better 2016-2017 ice season. O.k. rink rats, dust off your golf clubs, bicycles, back packs, tennis racquets and the rest of your seasonal gear and get out and enjoy this beautiful part of the country. Make sure to visit our website at [www.rileyrink.com](http://www.rileyrink.com) for special events planned throughout the spring/summer months. We have a lot going on and we'd like to see your smiling faces.

That's all for now. See you at the rink...

Jon
