Ages and Grade Levels (Ages 10-18)

Campers will be divided by age and skill level to ensure proper teachings and matching of peers during individual position training, group/team concepts, special position sessions, and live game situations. Typically, groups consist of 5th-8th graders and 9th-12th graders, possible movement after further individual player analysis by camp staff. There will also be sessions where all campers will be together, as this is also crucial to player development.

Facilities

All athletic and entertainment facilities will be available to campers for use during their stay at St. John's University. Facilities include Clemens turf stadium, Grass lacrosse fields, Palestra field house, Underground pool with high dive, Gymnasium, Cafeteria, Dormitories (equipped with individual stall showers, bedding, towels, pillows and soap), Lake Sag Beach, and numerous other fun activities unique to the SJU Campus.

What to Bring

- Full Lacrosse Equipment
