2016 SPRING SEASON EDITION 1

A NOTE FROM THE B.O.D.

Opening weekend was a success. Thank you to all of the Coaches who have volunteered their time this season.

Please remember to follow all of the field rules and to leave a clean area after your game. There are absolutely **no animals** allowed on the fields.

Please make sure to have your Ids and Game cards at every game. If you have the first game of the day, your team is required to set up half of the field which includes lining it. If you have the last game of the day, your team is required to tear down that includes dumping the trash.

If at any time you have questions, please feel free to contact any B.O.D. member and we will be more than happy to assist you. We look forward to an amazing season!

COACH'S SPOTLIGHT

Coach Alcides Saavedra (U12 Striking Cobras) is on his 3rd season coaching for the West Covina Youth Soccer League. Al has always been a volunteer of his local community, working for the Boys and Girls Club at a very young age, assisting in a variety of sports and activities. Al's initial desire to coach for the Soccer League, however, came from his great love for his daughter Trinity Saavedra; he wanted to be a bigger part of her experience, spending every possible moment together. Al also enjoys facilitating the growth of his team members, not only athletically but also emotionally; he is always encouraging them to work hard and to work together as a TEAM. Al spends a great deal of time planning for practices and games, his goal is always for his team to have a great time - whether they win or lose.
