

## SUBJ – Umpire Process / League Games

Coaches –

We have gotten a few questions in regards to the scheduling and payment of the umpires for your league games. Here a few helpful reminders...

- League Games
  - Umpire associations get the schedule from the MBL website.
  - You do not need to schedule or pay umpires.
- Rescheduling and Canceling Home League Games
  - Contact the umpire association if you reschedule or cancel a home game the day of or day before the scheduled game.
  - Update the schedule on the MBL site to ensure the umpire association assigns an umpire for rescheduled games and does not send an umpire for canceled games. If the update on the site occurs the day of or day before your home, you will need to contact the umpire association.

Hopefully this guidance clears up the process for those who had questions.
