6. **Format and Advancement:**

Four Team Bracket: All teams will play each other (3 games). Top two point totals will play again in a Final

Five Team Bracket: All teams will play each other in a "round robin format" (4 games). All games in a five team bracket will be mini-game length. Final standings based upon points. (no semis or final). 1st place goes to the team with the most points and 2nd place goes to the team with the second-highest points.

Six Team Group: Teams are split into two brackets of three teams. Teams will play the teams within their bracket (2 games). Lowest points in each bracket will play a consolation match (A3 vs B3). The top two teams in each bracket will then play crossover semi-finals with the other bracket (A1 vs B2, B1 vs A2). Semi-final winners will play a final.

Eight Team Group: Teams are split into two brackets of four teams. Teams play the other teams within their bracket (3 games). The top two teams in each bracket will then play crossover semi-finals with the other bracket (A1 vs B2, B1 vs A2). Semi-final winners will play a final.

If Quarter-Final or Semi-Final games end in a tie, FIFA "kicks" from the penalty spot will be taken to determine the winner. If final games end in a tie, two (2) overtime halves will be played, and if the game is still tied at the end of the second overtime period, FIFA "kicks" from the penalty spot will be taken to determine the winner.

7. The NTSSA scoring system for mini games will be as follows:
 - a. 6 points for a win
 - b. 3 points for a tie
 - c. 0 points for a loss
 - d. 1 point per goal scored in the game with a maximum of 3
 - e. 1 point for a shut out (not allowing opponent to score)
 - f. A forfeit game will be scored at a 3-0 win in calculating mini-games points for tiebreaker determination.

8. **Tiebreakers:** If two or more teams are tied in points after their mini games are completed, the following tiebreaker procedures will be used to determine the team advancing:
 - a. Head to Head game results - winner will advance.
 - b. Most number of "shut-outs" - team with most "shut-outs" will advance.
 - c. Goal differential - team with highest goal differential against opponents will advance (maximum of 5). Goal differential = goals scored - goals against. (Example: 7-0 game = 5-0 in calculating advancement; 11-5 game = 10-5 in calculating advancement).
 - d. Fewest goals allowed - team with fewest goals allowed will advance.
 - e. Fewest accumulation of caution points, 1 point for yellow and 2 points for red.
 - f. Penalty kicks.

These tiebreaker procedures will be applied, in order, to the teams tied in points until one team is selected for advancement. In the event that a team is scheduled to play the winner from their own bracket or cross-bracket teams have already played each other, the tournament director has the authority to re-align the playoff format.
