HHL Captains,

I hope this email finds you healthy and ready to begin another hockey season! The BAHA Committee met last night and voted unanimously to adopt the following policies for the adult league this season (including all tournaments and the Hocktober Scramble):

- 1) Games will be played 5 vs 5
- 2) Roster sizes have changed from a required minimum of 16 skaters (in years past) to 13 skaters and a goalie.
- 3) Games will consist of three 17-minute run-clock periods, a 5-minute warm up, and 1 minute in between periods for a total game time of one hour
- 4) Depending on the assigned locker room, there can only be 7-9 players per room. Therefore, we will provide seating outside of the locker rooms and in the concession stand to properly social distance by 6 feet.
- 5) Only 5 players are allowed on the bench at one time. In other words, if you have 5 skaters on the ice, and 5 on the bench (the next group to go out), any additional players will stand on designated spots just outside of the bench area. Only the players who are going on the ice next will be on the bench.
- 6) Masks will be required in the building at all times until you put your helmet on.
- 7) There will be signs marking where you can sit in the locker rooms, outside the locker rooms, in the concession stand, and on the player benches
- 8) We anticipate that some teams will be short players on occasion. If a team shows up with only 4-6 players and a goalie, the opposing team will be encouraged to lend players. If the opposing team refuses, then the game will be played 4 vs 4.

Please let me know if you have any questions.

Sincerely,

Dave Weaver
