

ICE DEN FREESTYLE GUEST SKATER / PARENT PROTOCOL

- Please check the TV monitors in the lobby for Locker Room assignments
- All skaters are required to use the assigned locker rooms to put their skates on, please do not prepare for ice activities in the lobby
- Please do not leave your skate bag or any personal belongings in the lobby
- The Ice Dens are not responsible for unattended belongings, equipment and valuables
- Skaters will enter and exit the ice at the access door located closest to the lobby
- Please write your name and session time on the drop-in ticket
- Please sign-in to the freestyle session attendance book & stick your tickets on the appropriate session page
- If you pre-purchased your ticket online (www.skatericechandler.com or www.skaterice.com), your name will be listed on the session roster, please circle YES to confirm you attended the session
- The skater wearing the colored belt has the right of way on the ice surface - the belt indicates that the skater is practicing his/her program, a dance or a Moves in the Field exercise
- When an ice resurface is scheduled, all skaters are required to patch holes using the snow provided at the end of the session
- Parents may sit in the lobby or the bleachers - parents may not coach or instruct skaters during sessions

MUSIC SYSTEM

Music is broadcast using the RinkMusic Inc. audio system. Visiting skaters who do not own a compatible fob may use a CD. Use of a CD requires pausing the key fob system, playing the CD music, and then returning to the key fob system.

If you have any questions, please do not hesitate to ask a member of the Skating Department Staff.

Thank you for your cooperation and for visiting the Ice Den!
