

Thank you for registering to play Edina Hockey!

The Edina Hockey Association (EHA) has an extremely strong tradition with over 1,200 players and about 80 teams. EHA hopes each family understands there is significant time and effort surrounding the registration fee amount for each level. Beyond the registration fee funds, EHA relies heavily on sponsors, donations, advertising and fundraising to keep registration fees at the most reasonable level as possible. EHA's financial goal is to breakeven each year.

Registration fees are utilized to pay for operating expenses:

- Tryouts
- Practice ice time purchased by EHA
- Tournament gate fees
- District 6 fees (games, referees, other fees)
- EHA equipment
- Other required operating expenses
- **Rostering Fee:** A team rostering fee will be charged to the following teams: Jr Gold A \$3,900, JGB \$1,300, JG16 \$1,300, Bantam AA \$3,900, Bantam A \$2,600, Bantam B1 \$1,300, Peewee AA \$3,000, Peewee A \$2,200, Peewee B1 \$1,300, 19U \$1,300, 15UA \$3,000, 15B \$1,300, 12UA \$2,200, 12B1 \$1,300. Each of these teams have either more D6 games, longer games, coaching stipend for non-parent coaches, and/or more referees, and hence will be charged for those additional costs. The rostering fee will be assessed through a charge to team accounts within 60 days of team formation.

Important note regarding the total cost of travel hockey

The Edina Hockey Association registration fee covers the costs of jerseys/socks, tryouts, practice ice (up to a budgeted amount per level), games, tournaments, District 6 fees, City of Edina parks and recreation fees, as well as the administrative costs of the Association. In addition to the registration fees, it is important to understand that each travel hockey team will also charge a team assessment to cover additional team costs such as team parties/banquets, additional practice ice/scrimmages, additional tournament entry fees, away tournament hotel and meal costs for non-parent coaches, coach's gifts, away tournament meals, among other costs. The team assessments can vary widely from team to team, typically averaging between \$400 to \$600 per player, but may be higher in some circumstances. In addition, other costs such as equipment, away tournament hotel rooms, optional team apparel, etc. will be incurred directly by you.

The Edina Hockey Association's goal is to ensure all Edina children who want to play hockey can do so. Considering the total cost of travel hockey, if you believe you are going to have difficulty affording hockey this season, we strongly encourage you to consider applying for a scholarship for the registration fee to bring down the total cost of hockey or develop payment plans that will work with your financial situation. More information about EHA financial-aid/scholarships can be found [Here](#)

EHA primarily uses historical operating results to gauge the registration fee as well as a host of estimated figures or data such as; number of registered players, ice time hourly rates, District 6 fees and number of tournaments and related gate fees.
