## **SSYS Volunteer Code Of Conduct**

The primary goal of coaches should be the development of boys and girls to be better citizens. The players must be taught sportsmanship and fair play, and these teachings should always govern their behavior while at practice and at games. Coaches shall be responsible for the conduct of all players, members of the coaching staff and spectators. This includes the time periods before, during, and after league games, practices and other events. Improper conduct, in the judgment of the game officials, on the part of the players, coaches or spectators may result in penalties, expulsion, and suspension or forfeiture of the game. These decisions will be made on a day to day basis by the President of SSYS and reviewed by the Board of Directors of SSYS.

### **SSYS Youth Football coaches will abide by the following codes:**

- 1.The coach will not criticize the players, officials, the opposing team, the coaches, fans or parents, through language or gesture.
- 2.The coach will strive to make every football activity serve as a training ground for life, and as a basis for good mental and physical health.
- 3.The coach will emphasize that winning a game is the result of teamwork.
- 4.The coach shall not use abusive or profane language before anyone connected with the game.
- 5.The coach will refrain from “running-up” the score against an opponent.
- 6.The coach shall not be under the influence of alcohol or dangerous drugs
- 7.The coach will set an example in personal conduct at all times.
- 8.The coach will not smoke or use any form of tobacco while on the field of play during games, scrimmages or practices.
- 9.The coach will treat each player, opposing coach, parent and administrator with respect and dignity.
- 10.The coach will learn the strengths and weakness of his/her players so they might place them into situations where they have a maximum opportunity to achieve success.
- 11.The coach will protect the health and safety of his/her players by insisting that all of the activities under his/her control be conducted for their psychological and physiological welfare, rather than interests of adults.

**Coaches will respect and abide by all SSYS Facility policies, rules, practices, and ethics while on SSYS grounds.**

I hereby swear and attest that all information provided on this application is true and complete to the fullest extent of my knowledge. If I am accepted as a volunteer, SSYS may end the relationship immediately if I have made any false statements.
