

IFYHA September 9, 2014

In attendance: P. Kantack, K. Leavitt, J. Rifelje, B. Combo, S. Lehto, Doc Blank, Bev. Hott, J. Baird, H. Thueson, J. Dobson, J. Boyes, K. Batalden. Kim

Old Business:

Approval of June Minutes: Approved

Approval of August minutes: Approved

New Business:

1. Jerseys- Heidi needs to know what is needed. Squirt colors? White, Green, Red, Navy- 4 colors- need to make sure there are enough for 4 colors. Bantams need socks in green, red, blue, and white. Heidi prepared an inventory and needs to make an order of needs. Divisions need to check travel jerseys: PW, Girls, and Bantams may need more. It may be 10,000 for new jerseys. Should we purchase new jerseys? **Motion to buy new travel for squirt PW midget, bantam and girls, sell old, and inventory actual needs for house teams.** All Approved.
2. Playing up: IAHA bylaws may be changed. It currently says that a local player can move up one division. There is discussion about capping the amount of players allowed to do this. If this happens, it would allow only a few players to play up instead of perhaps an entire team (mites to squirts).
3. Hut- city wants us to run public skate starting October 11.
4. DIBS- what will be the amounts? Everything 1 point per hour, per kid, per division. Public skate will be 2 points per hour.
5. Parks and Rec Guide. Good advertising for us. The football players on the front page was a good one too.
6. Storage and Locker rooms- 1.The boards are purchased but may not be up by this season. 2. IFYHA has 515-615 am on Monday mornings. 3. The city wants 5 locker rooms to add storage space in exchange for our storage space. They want the storage space for ice sharpening and the new facility manager.
7. Opening meeting items: Red Lion closed down, Shilo wanted 1500.00 for our meeting... so our meeting will be at SHS in the cafeteria. Make sure that you come into the back parking lot to enter the cafeteria. October 7th at SHS.
8. Registration- open up a separate registration for coaches and managers.
9. Financials- Pam Kantack supplied this past year's budget. Remember the rink sinking fund is where we put money for the rink.
10. We paid for cabinets for the girls locker room but have not received the cabinets. (840.00 appx)
11. PDC October 24-28. Then travel tryouts will be the remainder of the week. We will charge 100.00 this year as we lost money last year.
12. Next meeting November 4, 2014
13. Sled Hockey-we have 7 sleds, and Mike Leavitt would like to gather ideas of how to make the sled hockey event work with 7 sleds. This event will be October 18th. **Motion to approve monies for three more sleds. Motion approved.**
