Technique: Did the contestant's movement reveal quality, control, agility and precision? Was the pantomime creative and effective? b. Situation: Was the situation recognizable? c. Character: Did the contestant project the character's personality, both physically and emotionally? d. Mood: Did the contestant create a feeling or mood with pantomime? A brief title shall be presented. No spoken introduction, title or narration from any source shall be permitted for the duration of the pantomime. A costume and makeup may be used. Instrumental background music and/or recorded sound effects are optional. The judge should watch the competitor the entire performance. In fairness to each competitor, judges are encouraged to view the entire performance prior to writing comments.
