

# **SCOTTS VALLEY LITTLE LEAGUE - GENERAL INFORMATION**

**Our Website: <http://scottsvalleylittleleague.org>**

## OVERVIEW

The SVLL season runs from early March to early June, with closing day coinciding with the end of the school year. Generally, each team plays twice a week (one game during the week and one on Saturday) with the upper divisions (7 years olds and up) having practices 1-2 days per week (one on Sunday and maybe one during the week).

Sign-ups start in November of the year before, with discounts usually provided if done by the end of December. Tryouts (for kids 7 and over) take place in early January, with team drafts/assignments taking place at the end of the month, leaving ~6 weeks of practicing (usually twice a week) before the season starts.

Practices/games take place on the ball fields at Siltanen Park and Vine Hill Elementary school.

## DIVISIONS

T-ball (5 and 6 year olds) - We play 3 inning games, use soft baseballs, and kids hit the ball off a tee. Everybody bats every inning and field every inning, and we don't keep score. The field is by the Vine Hill Elementary school's portable buildings.

Single A (6 year olds [after a year of T-ball] and 7 year olds) - We play 6 inning games, use soft baseballs, and the coaches pitch to the kids. Kids bat until a given pitch limit, and we don't keep score. The field is below the amphitheater at Siltanen Park.

Double A (7-10 year olds) - We play 6 inning games, use hardballs, and pitching is split between the coaches and the kids. Kids bat until a given pitch limit, and we keep score and standings. The field is above the amphitheater on Vine Hill Elementary School's grounds.

Triple A (8-11 year olds) - We play 6 inning games, use hardballs, and kids do the pitching. Kids bat until a given limit, and we keep score and standings. The field is above the Double A field, by the snack shack, on Vine Hill Elementary School's grounds.

Majors (11-12 year olds) - We play 6 inning games, use hardballs, and kids do the pitching. Kids bat until a given limit, and we keep score and standings. The field is below the Triple A field at Siltanen Park.

All of the divisions are considered instructional, except for Majors, which is our one competitive level.

## VOLUNTEERS

Scotts Valley's Little League is only as good as its volunteers, and we are 100% volunteer run. If you don't have time to coach, we can still use help in many other areas. Come to one of our board meetings, which are held monthly (see our website for the schedule).
