No updates

**LTP/LTS:**

LTS will be run by Figure Skating one night per week.  
(10/12-12/22)

**Equipment:**

Spent \$2800 on new jerseys for Midgets. Parents are being charged to pay back the cost

**Old Business:**

-LTS will be run by Figure Skating on Wednesdays from 10/12-12/22. Much discussion took place about LTP. There is a concern about ice time and the amount of kids that would be on the ice at once, if LTP merged with Blue Mites.

-The Bobcats schedule was worked out.

-Registration opened and is up and running.

-A Coaching Clinic for Levels 1, 2, and 3 will be held October 15th from approximately 8-2:30. Off ice class in the

morning,

Lunch at Alteri's and ice slot times in the afternoon.

**New Business:**

-Jason LeFevre made a presentation to the board to offer his services as a goalie coach for all levels. The board asked him to write up a proposal including costs that the Board could look over. A lengthy discussion took place as to the feasibility of an hourly rate, the idea of grouping goalies once per week for a practice, as well as who would absorb the cost.

-Two skaters asked for a release and were granted it.

- A Midget asked, and was granted a refund. There is nothing in the policy regarding this particular situation, so it needs to be addressed and written in the policy for the future.

**Meeting adjourned:**

10:08 pm
