

Purchasing a higher level of Player Accident Insurance

The regular insurance offered through USASA/FSSA has a \$5k Maximum Medical Expense Benefit.

FSSA member leagues have the option of purchasing additional levels of insurance. A \$25k Maximum Medical Benefit – cost is \$3.65 per player. This insurance must be purchased BEFORE the start of your league's season.

For the 2017-18 season FSSA will reimburse member leagues \$2.00 per player if your league chooses to purchase an additional level of insurance. To purchase a higher level of insurance you must send the following information to the FSSA office:

- 1) Your league name
- 2) Your name and contact information
- 3) A list of your teams for the 2017-18 season
- 4) Total number of players registered in your league
- 5) Check payable: Des Champs Gregory & Hayes, Inc. for the additional per player fee (number of players x per player fee)

Mail all of the above to:

FSSA

P.O. Box 89184

Tampa, FL 33689

Your additional level of insurance becomes effective the date the check is RECEIVED by the insurance company.

If you add more players later in the season you can pay for those additional players at that time.

Your \$2 per player refund from FSSA will be mailed to you after the insurance company has received your check.
