

Clock operation at the Huck

I feel that this is a better example of how to run the clock at the HUCK. Enjoy.

Set Time

Press: set / time / 17:00 / yes / enter period 1/2/ or 3
(enter different time if squirts or mites)

Score

Press: home score/guest score and then 1
For next goal, press: home score/guest score and then 1
(1+1=2)

To clear mistakes or to manually enter the score, do the following:

Press: set / home score / guest score/ (number that you want to enter)

Penalty

Press: set / home pnlt / 2:00 / yes /player number (two ## (for example 07 or 14). Note: If there are two players in the penalty box, the numbers inputed ***must be different.***

Press: set / guest pnlt / 2:00 / yes /player number (two ## (for example 07 or 14). Note: If there are two players in the penalty box, the numbers inputed ***must be different.***

Clear Penalty

Press: home pnlt / pnlt clear / yes

Press: guest pnly /pnly clear / yes
