Participants Receive

* Five clinic sessions presented by coaches from some of the most successful high school and small college programs in the state.

* Hand-outs and information about how to implement the activities discussed in the presentations

* The ability to ask questions and discuss what it takes to move your TEAM to the next level

Why attend another clinic???

Almost every coach in the state attends at least one coaching clinic in the off-season. At most of those clinics, coaches are exposed to a defensive scheme, an offensive play, or a different way to teach tackling. While all of these things will make you a better coach, they don't get into the things like, "How can I make sure that Jimmy is going to continue playing football and not quit", or

"How can I get my juniors and seniors to work together better?", or "How do I develop leadership when there are no natural leaders?" This clinic will address some of those questions by having coaches who are running successful programs tell you how they do it year after year.

Cost: The cost of the clinic is \$15 per coach, or a staff discount of \$60 for up to six coaches in your program

Make checks payable to:

Minnesota Football Coaches Association.

Registration:

Registration forms will be available online at the MFCA website:

<http://www.mnfootballcoaches.com/>

THIS CLINIC IS FOR YOU IF . . .

1) You are looking for something that will take a good team and make it a great team

2) You are having problems off-the-field that are affecting your players performance on the field

3) You are the coaching at a school with players who aren't getting the help at home they need to be successful

4) You are a coach who wants to consistently run a program that expects to WIN year-in and year-out regardless of talent.
