

DINING GUIDE

WHERE TO EAT!

New in 2017! BIG Vision is including a new section in our “Annual Souvenir Booklet” that is dedicated to restaurants in our area. The free booklet (10,000 print) is handed out to the patrons who attend our weekend youth sports tournament at our world-class complex located by the Reading Airport. People will use our recommendations to find places to eat as they visit our community for the weekend.

Your print advertising will promote your business from April to November and we can help design your printed promotion (all promos are black & white).
