**General Information**

Hunter is a 4 yr letter winner & 2 time captain for the Stars. Over his career he has grown both on and off the ice. His leadership and mentoring has played a large role in our program's best season in history. One attribute that stands out is determination. After being cut in the 1st round of the 2016 TW camp, he did not feel sorry for himself or complain about the process. Instead he dedicated himself to become the best player he could be his senior season.

Hunter put in 20+ hrs. a week with a trainer, with the goal to prove that you do not need a TW designation to be one of the state's elite players. Currently Hunter is 2nd in the state in points and top 5 in every scoring category. I believe if you watched Hunter this year you would say mission accomplished.
