

PLAY & TRAIN WITH THE BEST TALENT IN CENTRAL ILLINOIS IN THE SUMMER SUPER Y LEAGUE

Founded in 1999, Super Y is a nation-wide youth summer league operated by the United Soccer Leagues (USL), which is the largest organization of elite soccer leagues in North America. Affiliated with US Soccer, the Super Y-League contains the youth academies of Major League Soccer clubs, USL PRO clubs, Premier Development League and W-League clubs. Divisions within Super Y and for more information please visit <http://www.sylsoccer.com/>

SASA has formed a partnership with FC Peoria, Illinois FC, Midstate SC & Illinois Fusion to form Central Illinois Elite. Central Illinois Elite will enter teams this summer 2017 into the Super Y League.

Players will train twice per week June and July and play in the Midwest as they compete against some of the regions best players and look to qualify for the National Finals in Bradenton, FL, Dec 2017.

This is a fantastic opportunity for serious players over the summer away from their regular club teams to receive quality training and play in some very high level games. Providing them an opportunity to continue to develop and improve on their game is this key focus of this program.

ADVANTAGES OF PLAYING SUPER Y LEAGUE

Some of the major advantages of playing on a Central Illinois Elite team are listed below:

- **Competition Level:** Central Illinois Elite teams will compete against some of the top clubs in the Midwest throughout the summer with the opportunity to represent the region at the North American Finals in December.
- **Preparation for Fall Season:** The Super Y season can also serve as excellent preparation for players readying themselves for the fall season, whether it's with their high school team or their own club teams. Players participating in Super Y enter the fall season better conditioned and playing at a higher level than those who do not.
- **Additional Training Opportunities:** Players involved with our Super Y League teams will also benefit from unique additional training opportunities that no other players will have access to. This includes but is not limited to; strength and conditioning, position specific clinics and are looking to add video analysis.
- **Coaching Staff:** Teams will be led by Central Illinois Elite's professional coaching staff. All coaches are USSF and/or NSCAA license and are some of the most knowledgeable and experienced coaches in Central Illinois. All of our staff are committed to developing players in a positive and challenging environment.
- **Affordability:** Central Illinois Elite teams will provide a quality player development environment during the summer months at an affordable price compared to the traditional summer soccer camps and player ID camps players often attend at this time of year.
- **Game Play:** Players invited onto an Elite team will gain the benefits of not only training during the summer months but playing in meaningful games where they can translate ideas from training sessions into their play.
