How to Make the Team

Baseball reveals character it doesn't build it.

Character means doing the right thing when nobody's watching.

Respect the game as much as you want to be respected.

Wear your hat forward.

Practice hard-You play the way you practice.

It doesn't take talent to hustle.

Be a student of the game.

Agree to be trained.

Maintain grades to keep you eligible.

Set high standards and know the steps to attain.

Don't let anyone make an excuse for you.

Maintain eye contact.

Be passionate about your teammates.

Love the game.

The only thing that a coach owes you is honesty.

Body language screams. It never whispers.

Balance makes champions.
