

Spring 2017

This meeting will serve as a forum to organize and plan for the operation of a successful Spring program. It is an opportunity for the league to express its ideas and concepts for the upcoming season as well hear suggestions from its members.

The purpose of the USABL is to operate a league with structure and organization toward the primary goal of providing its members with a level playing field based on skill level and limited travel. The USABL is totally committed to getting players prepared to play at the next level and beyond!

With all of the different baseball opportunities offered today, choices can be confusing. One of our biggest priorities is to make sure you are playing more than just a season of scrimmages. The objective is providing competitive play with a division champion to be awarded at the end of the season.

USABL offers competitive baseball in the Spring, Summer and Fall. All players aged 7-10 will be playing on the 60-foot diamond. The 10's & 11's will have their choice of the 46/60 or the 50/70 fields while the 12's play on the 50/70 field in the Spring and move to the 90 -foot diamond for the Fall season. Beyond that, the USABL has leagues for players 13-18 who are all playing on the 90-foot diamond.

Thanks for coming and we look forward to another great Spring Season!

- **Divisions:**
Teams will be placed in divisions based on location and strength of team (rating & prior team history). Typically there is an American Division, Central Division, & National Division. For larger divisions there will also be a Continental Division. *Please note the ratings are a guide for us not a perfect system.*
- **Schedule:**
 - 9 Regular Season Games + 1 Guaranteed Playoff Game
 - All regular season games are on Sundays.
- **Regular Season Dates:** 4/2, 4/9, 4/23, 4/30, 5/7, 5/14, 5/21, 6/4
- **Potential Playoff Dates (will depend on your division/age):**
 - American Leagues (9U – 14U): 6/3, 6/4, 6/10, 6/11
 - USABL World Series – 6/17 – 6/18
 - All other divisions: 6/10, 6/11, 6/17, 6/18
- **Double Headers:**
All divisions will be scheduled for at least 1 double header. Most American League divisions will have two double headers. We will not know your double-header date until we begin to formulate the schedule towards the end of March. We need to consider field availability and umpire availability when scheduling double headers.
- **Playoffs:**
Game #10 for all teams will be a seeded playoff game. The entire playoffs will be a single elimination event. Your team will continue to play until they receive a loss. We play down until there is a divisional champion (i.e. American East Champion)
- **League Fee:**
 - 7U Team Fee -- \$1010
 - 8U-12U Fee -- \$130 per player or \$1385 team fee (unlimited roster)
 - 13/14 – 15/16 -- \$130 per player or \$1405 team fee (unlimited roster)
 - 18U (16/18) = team fee of \$1495
- **What does the league cover?**
 - We set the divisions based on skill level and location
 - Create each individual team's schedule
 - Assign and pay independent umpires weekly
 - Distribute League Baseballs
 - We insure all teams. The insurance is for USABL only.
 - Stay on-call during game time to field any problems that may arise all while continuously updating the website with baseball news, scores and standings (typically less than 24 hours of the game being played). With over 700 games being played every Sunday, you can imagine how much time and effort goes into each 10-game season.
- **What are teams responsible for?**
 - Getting a home field if possible
 - Uniforms and equipment
 - Outside of those two things you just show up & play!
- **Home Field:**
 - All teams should try to secure a home field. A home field however is not required for entrance into the program. Teams with a home field

will have more games scheduled at their field and will probably have less travel.

- **Rules:** Located on the website and in the scorebook.
- **Website:** USABL.COM
- **Online Player/Parent Waivers:**
All teams (parents) will now be required to fill out the online player waivers this season.
- **Rating:**
 - **1 Rating:** You should have a very weak team. There should be very few 1 rated teams. 1 rated teams would be “C” level teams, which can be compared to rec teams.
 - **2 Rating:** You should be a weaker “B” level team or a stronger “C” level team. If you have one pitcher that is decent, it could bring your team from a 2 to a 3 or 4 rated team.
 - **3 Rating:** You are a “B” level team. If you are not a “B” level team, you should be a 4 or 5 rated team. No “A” level teams should be a 3 rating unless you are a *very weak* All-Star Caliber team.
 - **4 Rating:** You are an “A” level team. You have an All-Star Caliber team.
 - **5 Rating:** You are a strong “A” level team and can challenge any team with confidence.
- **Insurance:**
 - The insurance will cover the players, coaches, umpires and spectators. You will have liability coverage and an accident policy, in case of injury. The league does not offer primary health insurance coverage.
 - This insurance is for USABL only. You cannot transfer the insurance policy to any other league. We will however insure you to participate in approved tournaments. For approved outside tournament we would need to make sure the tournament operator has their proper insurance and provide us with a COI with USABL listed as additionally insured. USABL cannot insure other businesses events. Those businesses will need to be responsible for their own events. An exception can be made if the business has formed an alliance or partnership with USABL to be on our approved tournaments list.
 - ****Baseball Academies will only be insured for USABL events.**
Due to many baseball academies focus being intense training, practicing and many non sanctioned USABL games you would need your own policy to cover your non-USABL functions.
 - ****USABL does not sell insurance, we are not a broker.** We do place coverage on all USABL teams. The insurance will cover the players, coaches, umpires and spectators. You will have liability coverage and an accident policy, in case of injury. The league does not offer primary health insurance coverage.
 - Injured players must first go to their insurance carrier for compensation. Out of pocket expenses will then be paid by our carrier. Coaches must report injuries as soon as possible to the league

office. Coaches and or the injured player's parents will be E-mailed claim forms to complete. These forms must be completed and then sent to the league for presentation to the carrier.

- **No Guest Player Policy:**

Please note that the USABL does not have a guest player policy. You may however add players at anytime during the regular season. Players added must still complete the online registration form and pay the league fee unless your team already paid the team fee. When a team pays the team fee they will not have to pay an additional league fee to add players. All added players must still qualify for the play-offs (5 games or 21 innings)

- **Special Requests:**

We have an overwhelming amount of scheduling and special request. We will try our best to accommodate all teams special request. Some special request may take some legwork from you to work it out with your opponents. For example if Team A request AM games and Team B (the home team) can only get their field permit for PM games something needs to give to get the game played. Furthermore in some cases coaches and players that coach or play on multiple teams/sports may have to choose in some cases. Please remember it is about getting the games played. Rescheduling because of one player or coach should never be a factor. Another common request that can make scheduling very difficult is to keep certain teams home on the same date either because of sharing players, coaches, or so the snack stand can be utilized to its full potential.

Keep in mind USABL needs to make sure all teams have the proper amount of games scheduled, proper amount of home games, and when you play a opponent twice we have to make sure you are home/away once. If you have more then one cross over game we have to make sure you play a different cross over opponent each game. We will try our best to accommodate all special requests, but sometimes it may not be possible to work out considering the above logistics.

Important League Reminders & Information:

- Once paid in full you will be able to pick baseballs up from Athletes Alley, 483 Broad Street, Shrewsbury, NJ 07702. Please be prepared to give Athletes Alley your team name, age group, and manager's name for them to release baseballs.

USABL World Series 2017

USABL is the largest baseball league in the Tri-State area and we are taking our playoffs to the next level by allowing our teams to compete to be the best team in their age group (most age groups have over 120 teams.)

The USABL World Series is truly a statewide event along with the teams from the Eastern PA and Staten Island.

USABL World Series Format:

9U, 10U, 11U 50/70, 12U 50/70, 14U will be a tournament style World Series. The 13U World Series will be a double elimination tournament style event.

This event will be hosted at the beautiful baseball complex at Marlboro LL depending on the age group.

The Champions of each American League USABL Division will be eligible to advance to the World Series. American League Divisions are made up of 4 and 5 caliber teams (using the USABL rating system of 1-5 with 5 being the strongest).

To be able to compete to be the #1 overall team in USABL is something to play for and should make for an exciting season!

We are always striving to add more excitement to USABL and we believe this will bring more meaning to the USABL Playoffs and regular season.

At this time, only the American League Divisions will be eligible to participate but we are working on bring the World Series to all divisions.

7U Spring 2017 – USABL Travel Baseball League

USABL is again putting on our 7U Spring program. This will be our 7th season offering the 7U Spring Program. It has been a huge hit and for this Spring we have been getting a tremendous amount of interest from teams all over the State since we are the only program to successfully offer a Spring 7U Program.

The 7U program is used to ease kids into competitive travel baseball by building experience so they are more prepared for more competitive play at the 8U and 9U level. 7U teams will be placed in a division based on location and rating when possible.

We have modified the pitching rules for the 7U program. The first 2 and last 2 innings will be coach pitch while the 3rd and 4th inning will be player pitch.

Where are the teams located?

We have teams ranging from as far North as Wayne, NJ as far west as Bucks County PA and as far south as Barnegat, NJ. We put teams in divisions based on your teams location at the 7U level. We try to keep the travel to 30 minutes or less for your away games.

- Games are on Sundays only to avoid conflicts with rec baseball
- 1 umpire in the field
- Team fee is \$1010 (includes baseballs, umpire, and insurance)
- Half the games are at your home field and half at your opponents home field.
- The first 2 and last 2 innings will be coach pitch while the 3rd and 4th inning will be player pitch
- It is a 9 game regular season + at least 1 playoff game (all teams make the playoffs)
- All players must be 7 years old or younger on 4/30/2017. It is possible they turn 8 on or after 5/1/2017.
- The 7U Rules can be found on usabl.com
