

Long Term Officials Development Competition

Frequently Asked Questions

March 1, 2017

Competition

Will the Grade 6-8s on the Talented Pathway be expected to prioritize Ontario Soccer assignments over District ones if, for instance, there are multiple tournaments on the same days? In other words, how much will the match official on the Talented Pathway expect to be "owned" for lack of a better word, by Ontario Soccer, and how much will their assignment choices be up to their preference?

All Match Officials will be educated on availability and prioritization of appointments. To be on the Talented Pathway is the choice of the individual match official and not the decision of Ontario Soccer.

All Match Officials and assignors will be provided with resources and education as to what leagues, games, etc., he/she should be officiating on a regular basis.

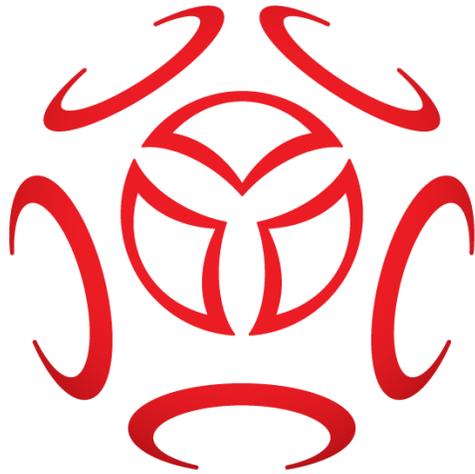

The Talented Pathway Match Officials will have higher expectations placed upon them with regards to game assignments, level of games accepted, and must prioritize Ontario Soccer appointments.
