

10,000 Shot Club

The goal of this challenge is to improve your shot accuracy and keep players active in hockey during the off season, which in turn will increase the number of goals per game.

10,000 Shot Club Guidelines:

- ◆ Each participant has until October 1, 2017 to complete the requirements.
- ◆ All shots recorded must be completed using hockey pucks only. (No tennis balls, street hockey balls, etc.)
- ◆ Participants need to record a minimum of 1500 wrist shots, 1500 slap shots, 1500 snap shots and 1500 backhands.

After October 1, 2017 those who met the 10,000 shot goal will:

- ◆ Have their name on a special 10,000 Shot Club rink sign signifying club membership.
- ◆ Receive 10,000 Shot Club puck.
- ◆ Players making the 10,000 shot achievement will be entered in a drawing for a new stick.
- ◆ Each participant that signs up for the challenge will receive a prize.
