

Metro Approves "No Weigh In" Tournament

New for this season, MYWA Metro will be going to a "no weigh in" format. The procedure will be as follows:

- A wrestler shall declare his Weight Class at the time of on-line registration.
- Skin Checks to be done by officials no later than 20 minutes prior to the start of each round. Wrestlers will be marked as passed by officials.
- 10 minutes prior to the start of wrestling, one mat will randomly be drawn to be audited. All wrestlers for that mat must then weigh in prior to competing. Any wrestler more than 2 lbs over the weight class will be disqualified and his/her name recorded.
- Club President/designated agent/coach of unaffiliated wrestler for that tournament will be able to challenge the weight of any wrestler in the tournament. Any challenged wrestler must then weigh in immediately at the head table. If the wrestler is more 2 lbs over the weight class will be disqualified and his/her name recorded. If the challenge is unsuccessful, the Club that challenged failure will be recorded.
- If a wrestler has been disqualified, for all future tournaments he must weigh in at the head table 30 minutes prior to the beginning of his/her wrestling session. A second missed weight will result in disqualification for the remainder of the season.
- Once a club/unaffiliated wrestler has had 3 failed challenges, they will be ineligible to challenge for the remainder of the season.

Payment will be made at the head table prior to the start of competition. All MYWA no-show rules shall apply.

This format will not be used for the Metro Region or the MYWA State Finals
