Budget:

- Dan stated that the budget should be part of the process as fees are determined.
- Need to start planning the budget and putting money aside. We also need to identify re-occurring fees so they can be planned for, i.e., Active gets a portion of the fees and checks cost \$1.50.
- There were more scholarships this year than in years past. Nicki will need these numbers in order to adjust the budget.
- We need a proposed budget for the remainder of the year.
