BUTLER VALLEY  
DAWGS

Since 1994, the Butler Valley Youth Hockey Association (BVYHA) has been providing the region's youth with fun and competitive experience. The organization has always been committed to nurturing the growth of ice hockey in an environment that promotes good sportsmanship, teamwork and fun.

The organization provides instruction to boys and girls of all skill levels through the Butler Valley Dawgs Hockey Program. The Butler Valley Youth Hockey Association is a proud member of the Pittsburgh Amateur Hockey League (PAHL), the Mid American Hockey Association (MIDAM) and the USA Hockey Association.

Starting with the developmental (ADM) level up to the U18, Butler Valley strives to put together strong teams of skilled players.

### **Team Structure**

For the 2018-19 season, BVYHA intends to group top players into a mixed level of birth years.

For competitive purposes, PAHL groups local teams into divisions by skill level. BVYHA teams are selected to PAHL divisions via the PAHL placement process using player data and the results of a few preseason matches. Placement of our teams will be determined by PAHL.

### **Professional Hockey Instruction**

Butler Valley provides professional instruction opportunities to all BVYHA teams throughout the season. This instruction includes both skating, skill development and goaltending. The Director of Coaching oversees the vendors providing instruction.

## **TRY-OUT PROCESS**

Butler Valley will hold tryouts at the Frozen Pond of Pittsburgh, located in Valencia, PA.

| Birth Year For Try-Outs 2018-19 Season |                |
|--|----------------|
| ADM/Mite                               | 2010 & Younger |
| Squirt (U10)                           | 2008 & 2009    |
| Pee Wee (U12)                          | 2006 & 2007    |
| Bantam (U14)                           | 2004 & 2005    |
| Midget (U16 & U18)                     | 2003 and Older |

All players are scored on their fundamental skills and then again in game situations. Each player will receive scores from several different evaluators. It is based on these scores that we choose our teams. The tryout process runs over a period of several days for each level to provide a fair and equitable timeline for all participants.

## PLAYER WAIVERS & PARENTAL CODE OF CONDUCT

The parents of any player who accepts a position on a Butler Valley hockey team will be required to sign a season waiver in order to participate on the team.
