

March Hockey Board Meeting Minutes

Sunday, March 12, 2017 5:10 p.m.

Present: Mark Harting, Carl Kusters, Doug Speece, Veronica Holmes, Aundy Luckenbuhl, and Susan Winn.

Discussed

- Player development in Sheridan or Cowboy State Games in Cody 3/24
- Banquet will be held in the Fort Reno Building at the State Fairgrounds
- If there is any trouble with a player, we as a club will go by the code of conduct.
- During the State Tournament - there were ejections on all levels - we need clothing that says "Board Member"
- Need to let parents know if there is a problem with coaches - need to follow the 24 hour rule - do not approach the coach at the game or on the bench
- At the beginning of the year instead of having one big meeting, have a meeting of the groups so they are more individualized, have a ref show up to be there to explain
- Checking - thinking of teaching it at an earlier level so they are all at the same size - Wahl President would like to eliminate checking altogether
- Would like to bid on state on every B level
- Angie arrived at 5:57
- Parent participation - we need more of it - think of ways to have that happen
- Old skate sharpener - Doug would like to take it & all the skates home to sharpen them over the summer
- Need to have training for the skate sharpener
- Open skate - for next season keep open skate free but charge a \$2 fee to rent skates (it will pay for the upkeep on the sharpener
- Aundy will be in charge of assigning what team will be in charge of what open skate, then the manager & team mom could send out a text to get someone to cover
- Volunteer incentive - board members should be allowed to get the incentive as well. Board members definitely earn half the fee
- Men's league tournaments - pick out a date before doing the scheduling

Voted on

- End of the season banquet - figure about 150-175 people - need to budget for food, drinks and decorations - \$1200 that includes the rental of the Fort Reno Building - Susan made a motion, Carl seconded, all approved
- To buy storage totes - for the screws & bolts, for the skates - Angie made the motion, Susan seconded, all approved
- To buy packs of gear - bags of gear that comes with everything but skates and sticks - 5 each of the small & 5 each of the large, also order 2 dozen sticks Carl made the motion, Angie seconded, all approved

Meeting adjourned 7:05pm
