

The 2017 St. Peter Baseball season is upon us and support from sponsors is an important role for continued success of our program. The St. Peter Baseball Association (SPBA) provides recreational and development programs for youth ages 6 - 18 in the St. Peter area. In 2016 over 180 boys participated in the baseball program and over 1,000 ball players their families and fans visited St. Peter to play in games or tournaments.

How are SPBA sponsorship funds used? In 2015 season a new field was added on N Washington Ave to accommodate the increasing number of youth baseball players and shortage of fields. Although the fields are city property, the St. Peter Baseball Association works together with the Parks & Recreation Departments to maintain and improve the fields, dugouts, and spectator areas. Our goal is to assess all fields on an annual basis and prioritize needs as funds allow.

In 2017, our priorities will be Veterans Field #1, Veterans Field #2 and adding new fields at Community Spirit Park. Improvements to Veterans Field #1 include a press box on the home dugout and a new sound system. Veterans Field #2 is in need of dugout repair and shading for the players. The budget for new fields at Community Spirit Park are only the fields and no amenities. Additional funds will be needed to add dugouts, benches, bleachers, and for other field improvements.

Sponsors will be recognized on our website www.stpeterbaseball.org as well as at games, tournament flyers, and on a special display at Veterans Field #1. If you're interested in donating any amount please complete the form at the bottom of this letter. Make any check payable to "SPBA" PO Box 8, St. Peter, MN 56082.

Your generosity is greatly appreciated!

If you have questions please contact David Bushaw at davidbushaw3@gmail.com (507)382-9237 or Jeff Jeremiason at jeff.jeremiason@gmail.com (507)382-7802 or any board member.
