

LLRC Cold Water and Severe Weather Release

I have been made aware of the availability of the US Rowing Safety video and safety poster in the LLRC boathouse. Both are accessible to me and are my responsibility to watch and/or read. Also, I am aware of the following website and can access information regarding the dangers of cold water and severe weather:

<http://www.seagrant.umn.edu/tourism/hypothermia.html>

I also acknowledge that I have previously taken a 10 minute swim test and continue to be a capable swimmer.

I agree to abide by the above and the governing rules of the LLRC.
