

New Lenox Soccer Rules and Guidelines

The following rules and guidelines are required to be followed by all coaches, players, and referees.

Players Equipment

All players are required to wear shin guards under their socks during all practices and games. We highly suggest that the players wear soccer shoes although tennis shoes are acceptable. Baseball spikes (which have a front toe cleat) are not acceptable.

Goalies are required to wear a goalie jersey to differentiate them from the field players. Goalie gloves are optional.

Absolutely no jewelry is allowed. This includes earrings, rings, bracelets, wristbands, barrettes, necklaces, or any other items the referee or coaches feel could cause injury to the player or other players. We do not allow taping over training stud earrings. They should be removed before all practices and games.

We do recommend sport frames for players that require glasses.

Hard billed hats are not allowed. We do allow winter hats and gloves during colder conditions. We recommend non-hooded sweatshirts for wear under the jersey. Hooded sweatshirts must have hood tucked under jersey if worn.

General Guidelines for all levels

- No official score is kept.
- All players must play at least half of the game (2 quarters).
- Substitutions only enter the field of play at the halfway line and only during a stoppage of play. Example: Goal Kick, Throw-in, kick-off.
- Discuss with the Referee before the game about notifying him/her regarding substitutions.
- Visiting team starts the kickoff of the game.
- The referee will keep track of scoring only to institute the 3/5 rule when needed.
- 3/5 Rule: If one team goes up by 3 goals, the opposing team must add 1 additional field player to the game. If the team with the extra player scores, the additional player must be removed. If a team goes up by 5 goals, the opposing team must add a second additional player on the field. This second player is in addition to the player that was added when the team was down by 3 goals.
