Any outside chairs brought into facilities must have padding, towel, or blanket under the legs.

No alcohol or tobacco allowed at any facility. Oregon State, PHS, & G3 are 100% smoke-free campuses.

Water in personal containers is always allowed around the courts, however no other drinks are allowed.

No food tables will be allowed in any facilities, however you are welcome to have them outside.

The WVC rents these courts and gyms from outside organizations. In order to remain solvent, the WVC must continue to have access to these courts, and we do not want to lose facilities due to violations of these policies.

Violations of the food/drink rules will result in penalties being applied. First violation results in a team warning. Second violation results in a five-point penalty to be applied on the next played set.
