The 5th Annual Casino Night, held on Friday, November 17 at the Hilton Fort Collins, is a great way to market your business to the Northern Colorado area with over 250 expected attendees but promoted to over 1200 community members over the next several months.

Guests will play at casino tables including blackjack, craps, and roulette to "win" chips which in turn earns entries into several drawing prizes totaling over \$1000 handed out at the end of the evening.

We use the services of Colorado Casino Nights which provides regulation gaming tables and trained dealers.
