- Still owe \$1000 to three coaches
- Doug will close books for this season on April 1st...needs to get all checks paid / cashed in March

Coach's Comments:

- STP – biggest numbers we've had. About 60 kids in 2 sessions.
- Goal is to keep as many sophomores in program as possible. Juniors and Seniors will get cut before sophomores.
- Trying to find best dry land option for STP. Need weight training to be a big part. Possibly work with Dr. Conboy and football team, possibly MASH trainers.
- All conference awards. Only one per team in conference, two schools gave them back. Rosemount has one all-conference plus three honorable mention.
- Schedule is complete for next season. No times yet. There is one game in Mankato, scrimmages in Rochester (like this year) and games up north over Christmas break.
- Ordered new scrimmage jerseys, practice jerseys and socks, hockey bags (bags have #'s on them.)
- Ordering 25 new pair of gloves for Varsity. Old Varsity gloves will be passed down to JV.
- Ben Garrity playing 10 games with the Magicians before the season. He may or may not be back to play with the high school team for the season.
- Coach working with a few people to get shooting clinic and defense clinic for Aug and Sept.
- Section changes in the works. Should know in a week or two. Rochester teams may go down to class A. Lakeville teams will change.
- Possible golf tournament again this summer...on a smaller scale.

- Sponsorship jerseys next year...OK to use, but need numbers on them / only to be used at home games.
- Girls will have two teams next year. Trying to work out schedules. Boys and girls will split ice times equally. Either Mon or Wed boys will have Varsity and JV back to back practice.

Fundraisers:

- Bingo – no changes at this time

Old Business:

- Year-end banquet – March 12, 5:00 – Las Tortillas will cater. 2:00 set-up time.
- Token nights –all paid for. Last game vs Lakeville South was huge turnout for tokens.
- Senior night – suggestions for next year? Maybe see if band can come. Get bag piper again. Kerri DuPuis knows another bag piper if needed.

New Business:

- Gatorade sponsorp – nothing new...trying to get protein and drinks for kids, plus some nutrition education. Steve and Kelli will look at pricing...may be better to buy online. Aspire contract up in April, then may get Gatorade machine. Need to purchase \$1000 worth of Gatorade product. So far have bought \$400. What will \$600 buy to get us to the \$1000 amount?
- Maybe no mite scrimmages next year – district trying to cut down on time of games.
- Carbones speaker system – RAHA indicated everything settled.
- Photographer – Doug has paid for posters, game fees (Lisa Cline sends invoices to him). Still owe for Sr gifts.
