## Racer Ready Fall 2017 Copper Ski Camp!

This year's Fall camp is set to begin on Saturday, November 18<sup>th</sup> and will run through Friday, November 24<sup>th</sup>. We will have seven full days of on snow training, TONS of mileage, and gate training every day!

This is a great opportunity to get a head start on the 2017 - 2018 race season and prepare to hit the ground running when we return to Loon in early December.

In addition to our traditional day camp, we offer a full overnight camp for U14 and older athletes.

The Day Camp provides all day on snow training, video analysis, and occasional evening activities with our coaching staff. Athlete's airfare and accommodations are the responsibility of the parents, however meal plans and lift tickets are available through Racer Ready at a discounted price. When making reservations, you can find information on accommodations at [coppercolorado.com](http://coppercolorado.com). Be sure to mention you are attending Racer Ready Ski Camps!

The overnight camp includes training, meal plan, lift ticket, and accommodations in condos at the Copper Mountain Resort base area. The airfare is the responsibility of the athlete.

Once again, Trevor is putting together an **awesome** staff and training plan. Details will follow as summer progresses.

The cost of the camp is \$1500 per athlete for the day camp and \$2250 for the overnight camp.

You can reserve your spot with a non-refundable \$350 deposit per athlete. Final payment will be due by September 1<sup>st</sup>.
