## **IMPORTANT INFORMATION**

### **PLAYER ELIGIBILITY PROTESTS**

**Player eligibility protests must be handled in the following manner during Regional and State Tournaments.**

- **No player eligibility protests will be allowed during a game.**
- **All player eligibility protests must be made by the head coach to the tournament director.**  
**(No anonymous phone calls, emails or anything other than a protest by the head coach to the tournament director will be accepted.)**
- **When the head coach protests to the tournament director, the tournament director will contact the OK Kids state office. The OK Kids state office will then make a ruling on the eligibility of the player.**
- **If a player is ruled ineligible, the player will be ineligible from that point for the remainder of the season. However, the outcome of any games the player has participated in, until the time the player is ruled ineligible, will not be changed.**
