

Dear Parents,

Due to a change in the forecast, Boys Basketball Practice for today, Monday, January 16, HAS BEEN CANCELLED!!!!

Dear Parents,

Good morning!

You will find the news and notes listed below for the basketball activities this week.

Please note a couple of items:

1) If transportation and/or icy roads are an issue tomorrow, and your son cannot make practice, please text / email / call your son's coach. The forecast is calling for warmer temps after 9 AM. I am trusting the weather forecast that the roads will be fine after 10:30 AM. If you are not comfortable with your son driving and/or bringing your son to school, I understand.

2) Please note that the **freshman and junior varsity games are played at the same time. Burlington Catholic Central has two gyms**, and they play both games simultaneously. **This is a change from the "refrigerator calendar" !!!!**

3) There will be bus transportation to Burlington Catholic Central. **However, there will NOT be transportation home.** You will need to pick up your son after the game.

4) No one has signed up for a varsity meal on Friday. Varsity boys will need to pack a lunch for before the game.

Have a great week!

Shoreland Lutheran Boys Basketball
