

# EYHA 2017 SUMMER CLASSIC STREET HOCKEY FESTIVAL

Essex Youth Hockey is hosting our 3rd Annual Street Hockey Festival at the Essex Skating Facility next to the Essex High School in Essex Vermont on **August 5th**.

EYHA is excited to bring hockey to the streets of Essex...and we want you there by forming a team and taking on challengers from all around Vermont and New York.

The tournament will be divided into separate age groups, whether you're a kid in a beginner program or played through High School; we have a place for you. The day-long tournament will take place at the Essex Rink and the parking lot next to the track. Bring the family because we'll have food, games, music and much more throughout the day.

Each team will be comprised of five players participating in 3-on-3 game play (three players & one goalie on the court at a time and one sub). EYHA will provide the nets, boards (Hay-bales), and officials, while it is up to the teams to provide sticks and approved equipment.

The competition will feature a round robin-style schedule and each team will play a three-game schedule over the course of the day. Teams will be placed in the following age groups: U8, 10U, 12U, 14U, U16, 18U. To ensure good competition and a manageable schedule, we may place a cap on the number of teams in each age group.

We will have on-line registration available soon.

The registration per team is \$125 and **MUST** be submitted **ONLINE**.
